

ANAA Inc. Scholarship for Audiometry Nursing students

Studies commencing in January 2026

Audiometry Nurse Association of Australia Inc. (ANAA Inc.) represents the professional interests of Audiometry Nurses. The Association provides support, a forum for discussion on hearing health and facilitates ongoing professional development.

ANAA Inc. is involved in the education and support of students in Audiometry Nursing with the ongoing edification of Clinical Advisor competencies. Registered or Enrolled Nurses can undertake studies in Audiometry Nursing through the Australian College of Nursing.

The ANAA Inc. Scholarship has been established to help support Registered and Enrolled Nurses to undertake post-graduate studies in Audiometry Nursing so that they may pursue a career working in Audiometry Nursing services. The funds provided may be used to assist with costs involved in completing a post-graduate course of study.

The Australian College of Nursing offers a Statement of Attainment in Audiometry Nursing course.

60 hours of Clinical placement will be required whilst studying Audiometry Nursing.

Eligibility: To be eligible for the scholarship, you must be **employed within the Australian public health sector** and have **current AHPRA registration** as an RN, EEN or EN with a view to employment within the specialty of Audiometry Nursing Services within Community and Allied Health.

Please ensure you are also compliant and up-to-date with all mandatory education as per the State/Territory local Health Department policy.

Desirable: Associate membership with the ANAA Inc. Membership form can be found at www.anaa.asn.au

Scholarship Tenure and Value:

A total of **one scholarship** will be awarded for the commencement of study in January 2026. This will be provided at the discretion of the executive committee.

The Scholarship recipient will receive a scholarship to the value of \$2000. This is to go towards the Audiometry course run through the Australian College of Nursing. The recipient will enrol & pay the course fees. Upon receipt of enrolment, you will be reimbursed.

Where the Scholarship recipient does not complete the Audiometry Nursing Course the ANNA Inc. executive committee will request **FULL repayment** of scholarship funding.

At completion of the course a copy of the course certificate will be provided to the scholarship committee.

Your letter of application should include:

1. A professional covering letter which addresses your objectives for the course and possible employment within the specialty area
2. A current Curriculum Vitae detailing professional activity in the last 2 years
3. A copy of your current AHPRA registration.
4. A letter of support from your current manager OR two professional references where a letter of support is not available.

How to Apply: Please submit a letter of application by: **17th November 2025**
